

What are the features of LG Commercial TV? RJP Compatibility

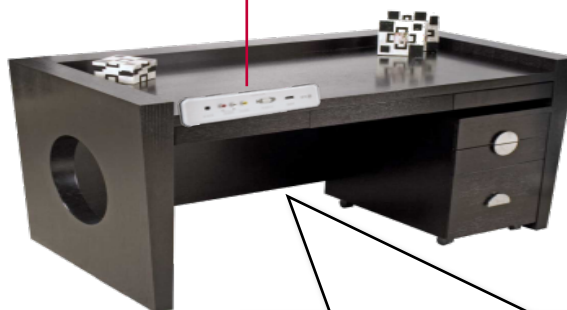

RJP (Remote Jack Pack) Compatibility

The guests can enjoy various content by easily connecting their own devices (Laptops, MP3 / DVD Players, etc.) to TVs in hotel rooms.

RS-232C
or HDMI-CEC

The RJP provides a multi-media interface to the in-room TV for hotel guests. There is a wide range of A/V inputs for external portable devices such as DVD/CD players, laptop PCs, video game players, camcorders, etc
